

NORTH AEGEAN BOAT SHOW

OFFICIAL PRESS RELEASE / FOR IMMEDIATE RELEASE

Discover the Northern Aegean at the First In-Water Boat Show in Northern Greece

12th to 14th April, 2024 - Fanari, Thrace, Greece

Under the aegis

We cordially invite you to the first in-water boat show of Northern Greece, where sea tourism and culture converge to create an unforgettable experience. Taking place from 12th to 14th April 2024 in the picturesque Fanari, in Thrace, the event promises an extraordinary fusion of sea tourism and cultural exploration, offering attendees an unforgettable experience.

Join us as, Government of Eastern Macedonia and Thrace Region (Vice-Government of Tourism), Municipality of Komotini, Athenian Yachts, North Sailing, the North Aegean Sailing Club, Chamber of professionals and handicrafts of Rodopi and the Community Department of Fanari join forces to proudly present the "North Aegean Boat Show 2024," a landmark event marking the region's first-ever in-water boat show. This collaborative endeavor between prominent tourism stakeholders and local authorities is dedicated to promoting the sea tourism and the distinctive heritage of Northern Greece.

Set against the stunning backdrop of Fanari, known as the "*balcony to the North Aegean*", this pioneering event promises to showcase the rich maritime heritage of Northern Greece. Attendees can immerse themselves in the rich history and traditions of the Northern Aegean, discover top-market yachts, and engage in workshops and events designed to enhance their yachting experience. Specially designed open experiences for adults and kids will further enrich the event, promoting the beauty of sailing to all.

The event is open to all enthusiasts, with no attendance fee required. Participants can conveniently register online through our official website or on-site during the event.
